BRIGHT ENOUGH TO BE SEEN

One of the key images used in the Bible to describe God or those actions that tell of His presence is Light.

'The light shines in the darkness and the darkness has never put it out!'
John 1:5. A reference to the life and witness of Jesus, God with us!

These past few weeks we have taken some time to reflect on the lives of faithful people who shaped a world through their particular witness – saints of God. Their lives shone like stars in the night sky, their simple, yet extraordinary lives left an indelible mark on all they met.

Who are the people who inspired you in times of uncertainty?
Who helped you get up again when you were down?
Who believed in you when it seemed all were against you?
Who stood by you when all the rest ran away?

These will always be the lights in your darkness. These will always be the ones who left us feeling that if ever we got the chance to help another we would do it without a second thought because we know what it meant to us at the time.

These are the saints of God. These are the ones who were 'present' enough to see someone (you or me) in need or listened closely enough to hear the cry that came from deep within, they are the ones we have celebrated these past weeks, those who have helped us to trust the 'wind beneath our wings' – the Spirit of God!

Now's the time for us to shine as well.

Flowers this week are lovingly donated by Johan & Belinda Sadie in celebration of family and friends, and many blessings received.

My best friend

*I think my best friend is a lot like You, Lord.
 She offers me spiritual encouragement;
 She's there for me in the happy times and
 The sad; and she'd do anything for me.
 How could I not love her?
 People of her nature are like precious pearls,
 I'm so blessed to have her in my life!*
